Town of Woodbury Water Department

Beginning Monday February 28, the Woodbury Water Department will be doing maintenance work on our sewer lines. This will include TV inspections and cleaning of lines as well as smoke testing of the lines to locate leaks in the lines. The smoke may be seen coming from the ground, around clean outs, or house plumbing vents. All drains will need to have some water ran through them to keep smoke from coming into residence. The smoke is non-corrosive, will dissipate quickly and will not do any damage to plumbing or residences.

Any concerns or questions may be directed to Shane Gannon at (615) 563-4221. Thank you for your cooperation as we try to improve our system to better serve you.

The Town of Woodbury Board of Mayor and Aldermen will meet in regular session **Tuesday, March 8, 2022 at 7:00 PM** at Woodbury City Hall.

Andy Duggin, Mayor
